

## BSB20115 Certificate II in Business Course Information

This course is a Nationally Recognised, accredited course from the BSB Business Services Training Package. This course provides valuable skills for people interested in an entry level position in clerical and administrative work. It will enable them to perform routine tasks and work under supervision. The course is also very valuable for trade people who want to move into an administrative position related to their trade. This is a flexible entry and flexible exit course to meet your individual needs.

### Occupational Titles May Include

- Administration Assistant
- Clerical Worker
- Data Entry Operator
- Information Desk Clerk
- Office Junior
- Receptionist

### Prerequisites

- There are no qualification prerequisites to undertake this course.
- Sound basic reading and writing skills are needed. Please discuss with us if you have any concerns about the language, literacy and numeracy requirements for the course as the College can provide support if needed (refer to Student Support section below).
- Students will be supported to use computers and learn about computer programs and can feel confident that their skills will increase in this area.

### Paying or the Course

The College can offer Smart and Skilled funding for this qualification for eligible learners. Student fees under this program range from \$0 to \$240 if unemployed. There is no cost if the student is indigenous or has a disability whether employed or unemployed. Subsidies also apply to students who are currently working however the student fee component is higher. Please check the student fee with the College.

- For those students who are not eligible for a Smart and Skilled subsidy the course is priced at \$1,750.
- This course is approved by Centrelink.
- For more information regarding conditions for refunds, please refer to our [Student Handbook on our website](#)

### Learning and Assessment Material and Resources.

All resources, learning, and assessment material required to complete the course are included in the course fee.

## Course Delivery

- This is a 30 week course, which can be extended depending on individual student's requirements. See delivery options on page 4.
- The course is flexible entry with 6 hours attendance in the classroom every week.
- You will be required to complete some homework each week. Extra study time will be approximately 5 hours per week.
- You will have access to computers during class time and can use College computers outside class time when the training rooms are not being otherwise used.
- Optional work experience for this course is timetabled at 30 hours and this may be as arranged by the College or by your own initiative with the approval of the College. The College will provide work experience documentation for the employer. You can do this at any time prior to course completion at time to suit yourself and your work experience provider.

## Course Packaging Rules

Students are required to complete 12 units, 1 of which is compulsory and 11 which are elective. The College confers with industry to select the electives offered. If students seek electives outside those units offered below, that request needs to be negotiated with the College and may alter the fee structure.

You may undertake fewer units to meet your needs and you may commence at any stage of the course.

## Recognition of Prior Learning (RPL)

Students who have workplace experience in this industry may be able to have those skills recognised by RPL for all or part of the qualification. You will need to discuss your request for RPL with the trainer.

If you wish to claim Recognition of Prior Learning or Credit Transfer you may complete the course in a shorter timeframe.

## Assessment

- There are no exams.
- Your competency ( knowledge and skills) is assessed through
  - Completion of set assessment tasks
  - Observation of your skills in the workplace or in a simulated workplace
- You are required to submit assessment tasks on time as instructed by the trainer
- You are also required to be on time to class and be prepared for the units being discussed.

## Qualification Pathways

Students who successfully complete this course can seek employment where basic business skills are required. This qualification also serves as an entry point for those who wish to commence BSB30415 Cert III in Business Administration.

## Student Support

At MCC, we aim to provide a welcoming, inclusive, and supportive environment for all. Under our Student Support provisions, you may approach the trainer at any time for additional support or discussion, and programmed support may be offered in groups or individually. We also offer a variety of support for people with specialised learning needs. Please let us know if you have any Language Literacy and Numeracy or other needs and we can discuss arrangements to provide you with support in your studies.

Support that we offer includes:

- learning and study support
- assistance with literacy and numeracy
- access to IT facilities both in class and at other times
- one on one and small group tuition
- referral to external student and welfare services
- career planning
