

FSK20113 Certificate II in Skills for Work and Vocational Pathways

Course Information

This course is designed to give students up to date skills for work and study. It is a nationally recognised accredited course from the FSK Foundation Skills Training Package, designed to improve foundation skills in learning, reading, writing, oral communication, digital technology and numeracy. This course is designed to help students attain skills at a level 3 in the Australian Core Skills Framework so they are able to meet entry level requirements for Certificate III courses or feel confident in proceeding to work or other study.

Prerequisites

No previous qualifications necessary.

Paying for the course:

The College can offer Smart and Skilled funding for this qualification for eligible learners. Student fees under this program range from \$0 to \$240 if unemployed. There is no cost if the student is indigenous or has a disability whether employed or unemployed. Subsidies also apply to students who are currently working however the student fee component is higher. Please check the student fee with the College.

- For those students who are not eligible for a Smart and Skilled subsidy the course is priced at \$1200 and can be paid for in monthly instalments after payment of an initial deposit. A payment plan can be organised with College staff.
- This course is approved by Centrelink as a full time course and supplementary assistance may be available in accordance with your individual circumstances. Please enquire further with Centrelink.

Course Delivery

- The course will be delivered over approx. 45 weeks with up to 2 x 2 hr sessions per week.
- Besides attendance there can be homework activities and/or work experience. This will require an estimated 4 hrs/week.
- You will have some access to computers during class time and can use College computers when the training room is available.
- You will be provided with training and assessment material for each unit.

Assessment

- There are no exams.
- Your competency (knowledge and skills) is assessed through
 - Completion of set assignments
 - Observation of practical tasks
- You are required to submit assessment tasks on time as instructed by the tutor.

Course Packaging rules

Students are required to complete 14 units, 8 Core units and 6 electives. The College confers with industry to select the electives offered. If students seek electives outside those units offered below, that request needs to be negotiated with the College and may alter the fee structure.

Code	Title	Core or Elective
FSKLRG09	Use strategies to respond to routine workplace problems	C
